Dear Network Member and Prospective Sponsorship Partner,

The Canadian Society of Association Executives (CSAE) is a not-for-profit organization, established in 1951, and is Canada's only national organization with a primary focus on serving the needs of association professionals and the business members who provide vital products and services to support the sector.

Our mandate is to:

- Promote excellence and professionalism amongst our members;
- Support association professionals in their work;
- Provide a bridge for associations to access quality services and products; and
- Increase the effectiveness, image and impact of associations to better serve their members and society.

As a Network of CSAE, the British Columbia Network (CSAE BC) serves over 250 members in the province of British Columbia and promotes excellence and professionalism in British Columbia's not-for-profit community.

Our B.C Network sponsorship programs, outlined in the following pages, are a vital component to our ability to organize the many exciting professional events and educational programs that the CSAE BC offers to the association management industry in British Columbia.

Both our Corporate Partner Program and Events Sponsorship Program are designed to help your organization meet its unique marketing and sponsorship objectives, and opportunities have been created to meet a wide range of budgets and scope: if your organization is seeking significant and prominent branding/recognition throughout the year in all our annual events, and in all E-marketing and communication channels, we invite your organization to become one of our key Corporate Partners; or if your organization is seeking more specific and flexible opportunities for increased visibility, then we invite you to consider our Events Sponsorship Program.

Your CSAE BC Network Corporate Partner Program or Events Sponsorship Program is an investment in your immediate and long-term marketing plan. Every dollar will be dedicated to enhancing the association management industry in British Columbia.

For further information or if you have any questions, please contact our Network Manager of Events and Sponsorships at bc@csae.com. Thank you for your consideration and we look forward to hearing from you.

Sincerely,

Giovanna Boniface
Chair, CSAE BC
